

Winston-Salem

The Friends of the Ronald McDonald House invite you to

LIGHT A LUMINARY . . .
BRIGHTEN YOUR HOME AND OURS!

The Ronald McDonald House of Winston-Salem provides a "home away from home" for families of children who are receiving medical care in our community's hospitals. The House and Family Room programs offer physical comforts, emotional support, and referral services designed to promote the well-being of the whole family.

Dear Neighbor:

The Ronald McDonald House is celebrating the 25th year of the annual Light a Luminary Project! The event takes place on December 24th when neighbors will honor families whose holidays will not be as bright due to the illness of their child. We honor them by lighting luminaries and placing them in front of our homes.

Each kit costs \$7.00 and the proceeds from your purchase go to support the Ronald McDonald House and Ronald McDonald Family Rooms in Winston-Salem. Each luminary kit (six white paper bags, six candles, and sand with instructions) will illuminate approximately 100 linear feet.

I plan to pick up the luminary kits for our neighbors. Return your order form to me. Luminaries should be lit at dusk on December 24th. The alternate date in case of rain is December 25th; the second rain date is December 31st. If you will be out of town, ask a neighbor to light your luminaries.

Thanks to our generous sponsors and to you for caring about the families served by the House.

PLEASE DETACH AND RETURN:
